## MUNICIPAL MANAGER'S REPORT

To the Board of Selectmen and Citizens of the Town of Middlebury:

The annual report of the town of Middlebury for the year ending January 31st is presented herewith.

Taking office near the end of the year, your town manager was at a great disadvantage not only in regard to control over 1938 expenditures but also towards weighing and evaluating previous activities for presentation in the annual report.

In order that facts and figures may be readily available both for the information of the taxpayer and closer control by your town officers an accounting system is being installed by the Public Administration Service. Past experience as shown by adequate accounting records, coupled with wise planning, provides the basis for efficient administration.

The town debt chart shows a net debt reduction of \$1,137.16 for 1938. Two important factors to be considered in relation to the debt statement are: The listing of back taxes in the amount of \$2,697.36 as assets, and an unforeseen expenditure of \$4,370.00, \$3,500 of which was financed by flood notes, to repair flood damage in East Middlebury.

A substantial gain was made in the collection of delinquent taxes. There was \$1,797.14 less outstanding taxes on January 31st, 1939 then on January 31st, 1938. \$459.52 in collection fees was turned into the town treasury.

The proposed budget which will be found on page 3 has been carefully worked out, and your selectmen and manager recommend a tax of \$1.00 for general purposes, and a tax of \$.50 for road purposes.

Your manager has been pleased with the great amount of interest shown by the citizens in their town government. The continuance of such interest is an assurance of good local government. Any desired information not contained in this report will be gladly given at the town office. Also, any constructive criticisms or suggestions will be welcomed.

The cooperation of the selectmen and harmonious relations with the citizens is gratefully acknowledged.

Respectfully Submitted,

WOODBURY E. BRACKETT

Municipal Manager.
